**Subject:** RE: Gold King Release

Regarding Surface Water sampling the following SWQB staff are heading up ASAP:

Chuck Dentino (cell: 563-506-4028)  
Jodey Kougioulis (cell:406-490-2855)

They will deploy sondes (realtime continuous monitors) at three sites we discussed and will be prepared to collect metals and general chemistry WQ samples. They will be on site until 9AM Sunday morning –after that we will need to decide if we want to continue sampling or identify staff to pick up from there.

Regarding contacting NM-DGF – they had actually made contact with my staff this morning Eric Frey is the POC on this – 505-476-8102 or 505-259-4441 (cell)  
He has staff up on site Chris Wethington – 505-330-7263 – looking for any signs of fish kills

-----Original Appointment-----
